

TECHNICAL DATA SHEET

Aircon Buster

1. Product Description

Aircon Buster is a powerful, fast-acting cleaner and deodoriser specially formulated to remove dust, mould, bacteria, and foul odours from air conditioning systems. It restores freshness and improves air quality in vehicles, homes, and commercial spaces by cleaning evaporator coils, ducts, and vents effectively.

2. Applications

- Cleans and freshens vehicle air conditioning systems
- Removes bacteria, mould, and mildew from HVAC systems
- Eliminates unpleasant odours in home, office, and commercial AC units
- Ideal for use in taxis, buses, delivery vehicles, and air-conditioned rooms

3. Product Features

- Antibacterial and antifungal action
- Eliminates musty smells and odours at the source

- Improves airflow and efficiency
- Safe on plastics, metals, and aircon components
- Easy spray application — no disassembly required
- Fresh, long-lasting scent

4. Typical Properties

Property	Specification
Appearance	Clear to light blue liquid
Fragrance	Fresh mint or citrus
pH (neat)	6.0 – 7.5
Density (25°C)	0.98 – 1.02 g/cm ³
Solubility	Fully soluble in water

- Store in a cool, dry place away from heat and direct sunlight

TECHNICAL DATA SHEET

5. Directions for Use

For Vehicles:

1. Start the engine and set the aircon to full power with recirculation on.
2. Spray Aircon Buster into the air intake vents (usually below the windscreen or behind the glovebox).
3. Allow to circulate for 5–10 minutes.
4. Switch off engine and aircon. Let the vehicle ventilate for another 5 minutes.

For Wall Units or Commercial HVAC:

1. Switch off power supply.
2. Spray product directly onto coils, vents, and filters.
3. Let it sit for 5–10 minutes.
4. Wipe clean or rinse if necessary.

Note: Always test on a small surface before full use. Use in a well-ventilated area.

6. Storage & Handling

- Keep container tightly sealed when not in use
- Do not expose to open flames or temperatures above 50°C
- Use in a ventilated area and avoid inhaling mist
- Keep out of reach of children

7. Packaging

Available in:

- 250ml and 500ml spray bottles
- 5L refill containers
- Bulk supply available on request

8. Safety & First Aid

- **Skin Contact:** Rinse with soap and water if irritation occurs
- **Eye Contact:** Rinse immediately with clean water for at least 15 minutes
- **Inhalation:** Move to fresh air if discomfort occurs
