

TECHNICAL DATA SHEET

Automotive Machine Wash

1. Product Description

Thuleka Automotive Wash is a premium multi-surface vehicle shampoo and shine solution, designed for bikes, cars, and boats. This gentle yet effective formula lifts away stubborn grime, mud, grease, and road dirt without damaging paintwork or finishes. Suitable for adventure bikes, road bikes, boats, and all types of vehicles, it leaves a clean, streak-free shine after every wash.

2. Applications

- Cleaning of motorcycles (off-road and street), cars, boats, and trailers
- Safe for paint, chrome, rubber, fibreglass, glass, vinyl, and plastic surfaces
- Suitable for manual bucket washes, foam sprayers, or pressure washers

3. Product Features

- Removes stubborn grime, grease, mud, and road film
- pH-balanced and non-corrosive — safe on waxed and sealed finishes
- Leaves a streak-free shine
- High-foaming and fast-rinsing
- Fresh, clean fragrance
- Biodegradable surfactants

4. Typical Properties

TECHNICAL DATA SHEET

5. Directions for Use

1. Rinse the vehicle or bike with clean water to remove loose dirt.
2. Dilute **100 ml** of Automotive Wash in a 5L bucket of water (1:50 dilution).
3. Apply with a sponge, mitt, or foam sprayer.
4. Wash section by section and avoid letting product dry on the surface.
5. Rinse thoroughly with clean water.
6. Dry with a microfiber cloth or chamois for best results.

Tip: For heavy grease or mud, pre-rinse or apply undiluted product to problem areas before full wash.

6. Storage & Handling

- Store in a cool, dry area away from direct sunlight
- Keep container tightly sealed when not in use
- Avoid contact with eyes and prolonged skin exposure
- Keep out of reach of children

7. Packaging

Available in:

- 500ml, 1L, 5L, and 25L HDPE containers
- Custom and bulk packaging available on request

8. Safety & First Aid

- For external use only
- In case of eye contact, rinse immediately with plenty of water
- If swallowed, do not induce vomiting — seek medical advice
- Refer to the Safety Data Sheet (SDS) for complete safety
