

TECHNICAL DATA SHEET

Buster Degreaser

1. Product Description

Buster is a powerful, multi-purpose cleaning and degreasing solution designed to tackle tough dirt, grease, and grime on a wide range of surfaces. It offers efficient cleaning performance while being user-friendly and environmentally considerate. Suitable for both domestic and industrial use, Buster delivers reliable results across various cleaning applications.

2. Applications

- Cleaning and degreasing kitchen appliances and surfaces
- Removal of oil, grease, and grime from floors, walls, and machinery
- Suitable for automotive cleaning including engines and wheels
- General stain removal on fabrics (spot treatment)
- Use in households, workshops, factories, and commercial environments

3. Product Features

- Strong grease-cutting and cleaning power
- Multi-surface applicability
- Safe on most washable surfaces when used as directed
- Contains biodegradable and environmentally friendly ingredients
- Pleasant, mild fragrance
- Easy to dilute for various cleaning needs

4. Typical Properties

Property	Specification
Appearance	Clear to slightly colored liquid
Colour	Light yellow to amber (batch-dependent)
Fragrance	Mild, fresh scent
pH (neat)	8.5 – 11.0
Density (25°C)	1.00 – 1.06 g/cm³
Viscosity (25°C)	300 – 700 cP
Solubility	Completely soluble in water

TECHNICAL DATA SHEET

5. Directions for Use

General Cleaning:

Dilute 1:10 with water. Apply to surface using spray, mop, or cloth. Wipe or scrub and rinse as needed.

Heavy-Duty Degreasing:

Use undiluted or dilute 1:5. Apply directly on grease or oil stains, allow to penetrate for 3–5 minutes, then scrub and rinse.

Fabric Stain Removal:

Test on a small, hidden area first. Apply diluted solution, blot gently, and rinse thoroughly.

6. Storage & Handling

- Store in a cool, dry place, away from direct sunlight and heat
- Keep container tightly sealed when not in use
- Avoid mixing with other chemicals, especially acids or bleach
- Use protective gloves when handling large quantities
- Keep out of reach of children

7. Packaging

Available in:

- 500ml, 1L, 5L, and 25L HDPE containers
- Custom and bulk packaging available upon request

8. Safety & First Aid

- Avoid contact with eyes and prolonged skin exposure
- In case of eye contact, rinse immediately with plenty of water
- If ingested, do not induce vomiting and seek medical attention promptly
- Refer to the Safety Data Sheet (SDS) for full safety instructions
