3. Exposure Details

- **Who may be exposed:** Cleaning staff, fuel station maintenance workers, and external contractors
- **Routes of Exposure:**
 - Skin contact
 - Eye contact
 - Inhalation of vapour/spray
- **Frequency and Duration:** As needed for cleaning, typically weekly or bi-weekly use in outdoor settings
- **Respirator:** Not required outdoors unless spraying in an enclosed space
- **Protective Clothing:** Chemical-resistant overalls or apron
- **Storage Instructions:** Store upright in tightly closed containers in a cool, ventilated area. Keep away from acids and incompatible materials
- **Handling Precautions:** Avoid direct contact with skin and eyes. Do not inhale vapors or spray. Keep away from drains

4. Control Measures in Place

- **Ventilation:**
 - ☒ Use in well-ventilated areas only
 - ☐ Local exhaust if used indoors
- **Personal Protective Equipment (PPE):**
 - Gloves: Chemical-resistant gloves (e.g., nitrile, neoprene)
 - Eye Protection: Safety goggles or a full-face shield

5. Emergency Procedures

- **First Aid Measures:**
 - Inhalation: Remove to fresh air. Seek medical attention if symptoms develop
 - Skin Contact: Rinse thoroughly with water. Remove contaminated clothing. Seek medical advice if irritation persists
 - Eye Contact: Immediately flush eyes with plenty of water for 15+ minutes. Seek immediate medical attention
 - Ingestion: Do not induce vomiting. Rinse mouth. Seek medical help immediately
- **Spill Clean-Up:**

Evacuate the area. Use PPE. Contain the spill. Neutralize with dilute acid if trained. Absorb with inert material and dispose of through the hazardous waste route
- **Fire-Fighting Measures:**

The product is not flammable. Use extinguishing agents suitable for the surrounding materials. Wear a breathing apparatus for fire situations

6. Disposal Instructions

- **Waste Disposal:**

Do not dispose of them into drains, watercourses, or soil. Hand over to a licensed chemical waste disposal contractor
- **Container Disposal:**

Rinse thoroughly and send for approved hazardous packaging disposal

7. Assessment Details

- **Assessed By:** Kyle Houston Woodward
- **Date of Assessment:** 15 July 2025
- **Review Date:** 15 July 2026
- **Signature:**
