

TECHNICAL DATA SHEET

Engine Bash

1. Product Description

Engine Bash is a concentrated, heavy-duty engine cleaner and degreaser specifically designed to remove built-up oil, grease, carbon deposits, and grime from engines and mechanical parts. Its fast-acting formula penetrates tough residues and rinses off easily, leaving engines clean and residue-free. Ideal for automotive, industrial, and workshop use.

2. Applications

- Degreasing and cleaning petrol and diesel engines
- Cleaning engine bays, gearboxes, and machinery parts
- Safe for use on metal, rubber, and plastic components
- Suitable for automotive workshops, fleets, and DIY users

3. Product Features

- Concentrated formula — can be used neat or diluted
- Rapid penetration of oil and grease deposits
- Water-soluble for easy rinse-off
- Non-corrosive to metals (when used as directed)
- Suitable for manual or pressure spray application
- Cuts through engine grime, road tar, and carbon buildup

4. Typical Properties

Property	Specification
Appearance	Clear to light amber liquid
Fragrance	Mild industrial/solvent scent
pH (neat)	9.5 – 11.0
Density (25°C)	1.02 – 1.06 g/cm ³
Solubility	Fully water-soluble
Flash Point	>65°C (non-flammable base)

TECHNICAL DATA SHEET

5. Directions for Use

Heavy-Duty Cleaning:

- Use product undiluted.
- Apply to a cool engine with spray, brush, or sponge.
- Allow to sit for 5–10 minutes.
- Agitate with a brush if needed.
- Rinse thoroughly with water or high-pressure sprayer.

General Maintenance Cleaning:

- Dilute 1:3 with water.
- Apply as above for regular cleaning needs.

Important: Ensure engine is off and cool before application. Cover electrical components where necessary. Test on a small area first if unsure.

6. Storage & Handling

- Store in a cool, dry, well-ventilated area
- Keep away from direct sunlight, heat, or open flames

- Use PPE (gloves, eye protection) when handling
- Do not mix with acids or incompatible substances
- Keep out of reach of children

7. Packaging

Available in:

- 1L, 5L, and 25L HDPE containers
- Bulk packaging available upon request

8. Safety & First Aid

- **Skin Contact:** Rinse with water; wash with soap if irritation occurs
- **Eye Contact:** Flush with water for 15 minutes; seek medical attention
- **Ingestion:** Do not induce vomiting; seek immediate medical help
- **Inhalation:** Move to fresh air if inhaled in large amounts
