

TECHNICAL DATA SHEET

Fat Buster

1. Product Description

Fat Buster is a concentrated, industrial-strength degreaser formulated to break down and eliminate tough fats, oils, and grease (FOG) from a variety of surfaces. Ideal for use in kitchens, food preparation areas, workshops, and grease traps, this heavy-duty cleaner penetrates stubborn grime and rinses away easily, leaving surfaces clean and grease-free.

2. Applications

- Degreasing kitchen surfaces, stoves, ovens, hobs, and extractor fans
- Cleaning grease traps and drains
- Removing fat and oil from walls, floors, and tiles
- Suitable for commercial kitchens, butcheries, takeaways, workshops, and factories

3. Product Features

- High-performance formula cuts through fats and oils instantly
- Fast-acting and easy to rinse
- Suitable for hot or cold water use
- Biodegradable surfactants – environmentally conscious
- Non-abrasive and safe on most hard, washable surfaces
Mild citrus or neutral fragrance (depending on variant)

4. Typical Properties

Property	Specification
Appearance	Clear to slightly yellow liquid
Fragrance	Mild citrus or neutral
pH (neat)	11.0 – 13.0
Density (25°C)	1.02 – 1.08 g/cm ³
Viscosity (25°C)	300 – 700 cP
Solubility	Fully water-soluble

TECHNICAL DATA SHEET

5. Directions for Use

Light Grease Cleaning:

Dilute 1:10 with water. Apply with cloth or spray, scrub if necessary, and rinse thoroughly.

Heavy-Duty Degreasing:

Use undiluted or dilute 1:5. Apply directly to greasy surfaces. Leave for 5–10 minutes, then scrub and rinse with water.

Grease Traps/Drains:

Pour undiluted product directly into the trap or drain. Let sit overnight and flush with hot water.

Note: Always test on a small area before full use. Not recommended on unsealed wood or aluminium.

6. Storage & Handling

- Store in a cool, dry, well-ventilated area
- Keep container tightly sealed when not in use
- Avoid contact with eyes and prolonged skin exposure
- Do not mix with acids or other cleaning agents

7. Packaging

Available in:

- 750ml, 1L, 5L, and 25L HDPE containers
- Bulk packaging options available upon request

8. Safety & First Aid

- In case of contact with eyes or skin, rinse immediately with water
- If swallowed, do not induce vomiting — seek medical attention
- Use gloves when handling undiluted product
- Refer to the product Safety Data Sheet (SDS) for complete safety details
