## Mageza Tyre and Dash Shine

### 1. Product Description

**Mageza Tyre and Dash Shine** is a premium water-based dressing formulated to restore and protect the appearance of tyres, dashboards, and interior plastics. It imparts a rich, deep black shine while providing a protective layer against cracking, fading, and dust accumulation. Suitable for automotive, commercial, and household use.

### 2. Applications

- Restoration and shine for car, truck, and bike tyres
- Conditioning and protection of vehicle dashboards and interior trim
- Suitable for vinyl, rubber, plastic, and synthetic surfaces
- Ideal for automotive workshops, car care centres, and home use

### 3. Product Features

- Water-based, non-greasy formula
- Provides long-lasting, high-gloss finish

- Protects surfaces from UV damage and cracking
- Repels dust and dirt for cleaner interiors
- Dries quickly without sticky residue
- Pleasant mild fragrance

### 4. Typical Properties

| Property       | Specification                  |
|----------------|--------------------------------|
| Appearance     | Clear to slightly milky liquid |
| Fragrance      | Mild, fresh scent              |
| pH (neat)      | 6.5 – 8.0                      |
| Density (25°C) | 0.98 – 1.02 g/cm <sup>3</sup>  |
| Solubility     | Water soluble                  |

## 5. Directions for Use

### Tyres:

- Shake well before use.
- Spray or apply with applicator pad evenly over clean, dry tyres.
- Allow to dry for a few minutes.
- Avoid contact with road surfaces.

### Dashboards and Interior Plastics:

- Apply a small amount to a clean microfiber cloth.
- Wipe evenly over dashboard and interior trim surfaces.
- Buff gently for a smooth, non-greasy finish.

## 6. Storage & Handling

- Store in a cool, dry place away from direct sunlight
- Keep container tightly closed when not in use
- Avoid freezing temperatures

## 7. Packaging

### Available in:

- 500ml spray bottles
- 1L and 5L containers
- Bulk packaging on request

## 8. Safety & First Aid

- Avoid contact with eyes.
- In case of eye contact, rinse thoroughly with water.
- If swallowed, seek medical advice immediately.
- Use in well-ventilated areas.
