

TECHNICAL DATA SHEET

Oven Cleaner

1. Product Description

Oven Cleaner is a heavy-duty degreaser specially formulated to remove baked-on grease, carbon deposits, and food residues from ovens, grills, stove plates, and other cooking appliances. Its high-alkaline, fast-acting formula penetrates tough grime with minimal scrubbing, restoring surfaces to a clean, hygienic state.

2. Applications

- Cleaning of electric and gas ovens
- Degreasing of braai grills, oven trays, and stove tops
- Suitable for commercial kitchens, restaurants, and home use

3. Product Features

- High-alkaline formulation for powerful grease and carbon removal
- Clings to vertical surfaces for deeper cleaning
- Fast-acting with minimal scrubbing required
- Ideal for cold or warm surfaces
- Effective on stainless steel, cast iron, and enameled surfaces
- Not recommended for aluminium or painted surfaces

4. Typical Properties

Property	Specification
Appearance	Thick, clear to yellowish liquid
Fragrance	Mild chemical or neutral
pH (neat)	12.5 – 13.5
Viscosity (25°C)	700 – 1,500 cP
Density (25°C)	1.05 – 1.10 g/cm ³
Solubility	Fully water-soluble

TECHNICAL DATA SHEET

5. Directions for Use

1. Ensure oven or surface is switched off and cool before applying.
2. Apply Oven Cleaner liberally to the surface using a spray or brush.
3. Leave to penetrate for 10–20 minutes. For heavily soiled areas, leave up to 30 minutes.
4. Scrub with a scouring pad or sponge.
5. Rinse thoroughly with warm water.
6. Repeat if necessary.

Caution: Always test on a small area first. Ventilate the area during use. Avoid contact with aluminium.

6. Storage & Handling

- Store in a cool, dry area away from direct sunlight and heat
- Keep container tightly closed when not in use
- Wear gloves and eye protection when handling
- Do not mix with acids or other cleaning agents

- Keep out of reach of children

7. Packaging

Available in:

- 500ml spray bottle, 750ml, 1L, 5L, and 25L HDPE containers
- Bulk packaging and refill options available on request

8. Safety & First Aid

- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water
- If swallowed, **do not** induce vomiting — seek immediate medical assistance
- Use only as directed and in well-ventilated areas
- Refer to the Safety Data Sheet (SDS) for detailed safety information
