

TECHNICAL DATA SHEET

Thuleka Shower Gel

1. Product Description

Thuleka Shower Gel is a luxurious, pH-balanced body cleanser formulated to gently cleanse, hydrate, and refresh the skin. Infused with skin-friendly ingredients and a rich lathering base, it leaves the skin feeling soft, smooth, and beautifully scented. Suitable for daily use and ideal for all skin types.

2. Applications

- Daily body cleansing in showers or baths
- Suitable for use in households, hospitality (guesthouses, hotels), gyms, and wellness centres
- Can be used with loofahs, sponges, or directly by hand

3. Product Features

- pH-balanced, gentle on sensitive skin
- Rich, foamy lather that rinses clean
- Moisturising formula with skin-conditioning agents
- Available in a variety of scents (e.g., Vanilla Silk, Ocean Fresh, Tropical Burst)
- Non-drying and soap-free
- Suitable for all skin types

4. Typical Properties

Property	Specification

TECHNICAL DATA SHEET

5. Directions for Use

1. Apply a small amount of shower gel to a wet sponge, loofah, or hand.
2. Massage over damp skin to create a rich lather.
3. Rinse thoroughly with clean water.
4. Follow with lotion or moisturiser if desired.

Note: For external use only.
Avoid contact with eyes.

6. Storage & Handling

- Store in a cool, dry place away from direct sunlight
- Keep container tightly closed when not in use
- Do not expose to freezing temperatures
- Keep out of reach of children

7. Packaging

Available in:

- 250ml and 500ml bottles (flip-top or pump)
- 1L and 5L refill bottles
- Custom hotel/guest amenity sizes available

8. Safety & First Aid

- **Skin Contact:** Safe for intended use; discontinue if irritation occurs
- **Eye Contact:** Rinse cautiously with clean water for several minutes
- **Ingestion:** Not intended for ingestion — seek medical attention if swallowed
- **Inhalation:** Not hazardous under normal use
