

TECHNICAL DATA SHEET

Ubuntu Grit Hand Cleaner

1. Product Description

Ubuntu Grit Hand Cleaner is a premium, heavy-duty hand cleaning solution formulated with fine grit and skin conditioners. It effectively removes stubborn grease, oil, ink, adhesives, paint, and industrial grime from hands while being gentle on the skin. Ideal for mechanics, technicians, painters, and industrial workers.

2. Applications

- Effective hand cleaner for workshops, garages, factories, and maintenance areas
- Removes grease, lubricants, adhesives, tar, paint, and carbon
- Suitable for frequent use in automotive, engineering, and construction sectors

3. Product Features

- Contains fine, skin-safe grit for deep cleaning
- Non-solvent, non-caustic formula — safe on skin

- Includes moisturising agents to prevent dryness or cracking
- Fresh, pleasant fragrance
- Easy to rinse, leaves no greasy residue
- Biodegradable components

4. Typical Properties

TECHNICAL DATA SHEET

5. Directions for Use

1. Apply a small amount of Ubuntu Grit Hand Cleaner to dry hands.
2. Rub thoroughly, focusing on areas with grease or dirt.
3. Add a small amount of water to emulsify.
4. Rinse off with clean water and dry hands.

For extremely stubborn dirt, repeat if necessary.

6. Storage & Handling

- Store in a sealed container in a cool, dry place
- Avoid exposure to direct sunlight or freezing temperatures
- Keep away from food and beverages
- Keep out of reach of children

7. Packaging

Available in:

- 500g tubs
- 1L squeeze bottles
- 5L pump containers
- Bulk packaging available upon request

8. Safety & First Aid

- **Skin Contact:** Safe for intended use; rinse with water if irritation occurs
- **Eye Contact:** Rinse immediately with clean water for several minutes
- **Inhalation:** Not hazardous under normal use
- **Ingestion:** Not intended for consumption; seek medical advice if swallowed
